450 ISO Lumens, Higher Brightness

Small but bright, illuminate every cinematic moment

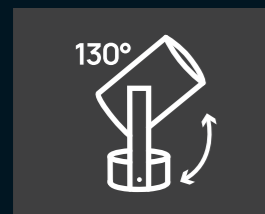

Coffee Cup-Sized and Adventure-Ready

Designed for your many adventures, the MoGo 3 Pro is our most convenient projector ever. Ultra-compact and lightweight, it's your perfect travel companion for on-the-go entertainment.

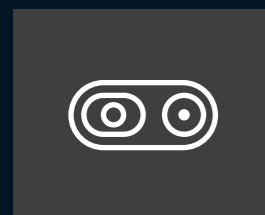

Ambient Light Mode

Use MoGo 3 Pro as a Bluetooth speaker; it has Ambient Light mode, unleashing an unforgettable ambiance and immersing you in your favorite music.

Built-in Adjustable Stand

- Supports 130° angle rotation, project on any surface you want
- Includes a full metal slide rail for stable, high- definition large screens at all times
- Pull gently to power on instantly
- Hidden lens, dust and scratch- resistant

XGIMI Intelligent Screen Adaption (ISA) 2.0

MoGo 3 Pro features a custom-developed ToF module, enabling faster and more accurate adaptation to your living space.

Remark:

1. The brightness data is from the XGIMI Laboratory. Actual product brightness may differ based on the specific test software version, testing environment, and product version.
2. All parameters listed on this page are measured in a controlled test environment before the product is mass-produced. The results may vary based on individual user experiences, including different environments, usage conditions, and firmware versions.
